## INTREPID SAFARIS WELCOMES YOU

Intrepid Safaris has grown in the last 16 years into a well established safari destination with our own ranches and a 5 star lodge. Not a year has passed by where we have not constantly improved our services and added new concessions.

We now offer our clients all of the Southern African Species. We also conduct safaris in Zambia, Tanzania and Uganda. The 2018 hunting season turned out to be another incredible year. We welcomed back many old and new clients. We are also proud to say that 75% of all our clients return and that most of our new clients are referrals.

Looking back over the last 16 years we wish to say a special "Thank you!" to all those clients who supported us.

We are looking forward to another 16 years of uncompromising excellence.

The very best to everyone and God Bless.

## BIG BOSS CAPE BUFFALO

Nothing compares to the excitement and exhilaration of a buffalo hunt; the pursuit of this magnificent creature can be one of the greatest adventures of a lifetime. Nobody said it better than Robert Ruark, *"They look at you like you owe them money!"*

We are serious buffalo hunters and our clients have enjoyed a 100% success rate on big bulls, many of whom have been record-book trophies.

## REFERENCES

My wife and I were blessed to have been introduced to Phillip, Anske and the Intrepid Safaris family about nine years ago. Over the past nine years I have hunted the final four of my BIG FIVE and many other species in what can only be called "Exceptional Hunts and Experiences!" The absolute attention to detail and professionalism when planning the hunt of a lifetime has always been met by Intrepid in every way. The lodging is spectacular in every way and the trophy quality is unmatched.

Again, Intrepid's attention to details and the ability to offer hunts across Africa for many species makes INTREPID SAFARIS my only choice!!! I remember my first safari well.. If myself or my wife can answer any questions please contact us. We have sent many of my own clients and family without hesitation.

## FROM A WOMAN'S POINT OF VIEW

I had the best time, the lodge was wonderful, the food was awesome, most of all, the hunting was a great adventure. Being female, I have been left behind a few times, "so the rest of the men could hunt more efficiently." I never felt left behind here, I was included the whole time my husband was hunting. I also got some fabulous trophies, beautiful pictures and memories to last a lifetime!

I am already planning a trip back! Everyone at Intrepid Safaris was wonderful. I consider them great friends and I am looking forward to my next adventure with them.

**UNCOMPROMISING  
EXCELLENCE**

Intrepid Safaris is top-notch all the way around! Can't say enough good things about them. Brent & I cannot wait for the day when we can go back...that big old leopard is calling our names! Phillip, Anske, their beautiful children, and the entire staff went above and beyond to make our stay unforgettable. We were made to feel welcome and right at home, like part of the family. The hunting was fantastic! I, being a non-hunter who wants to tag along on every hunt, was never made to feel as though I was in the way. I felt completely welcome and included on every adventure. I can't tell you how much I appreciate that, and I will never forget it. The accommodations were spectacular. We loved it all, cherish the friendships that were made, and we will definitely be going back! You cannot go wrong with Intrepid Safaris!
